PROFESSIONAL REGULATORY BOARD OF DENTISTRY

**PROGRAM OF THE DENTAL (PERFORMANCE) LICENSURE EXAMINATION TO
BE GIVEN BY THE BOARD OF DENTISTRY IN MANILA ON
JANUARY 3, 4, 5 AND 6, 2018**

DATE AND TIME

EXERCISES

7:00 A.M. - 7:45 A.M. GENERAL INSTRUCTIONS AND FILLING UP OF FORMS
8:00 A.M. - 4:30 P.M. Preparation and submission of projects or works

GROUP I - WEDNESDAY – JANUARY 3, 2018
GROUP II - FRIDAY – JANUARY 5, 2018

8:00 A.M. – 10:00 A.M

A) Class II Amalgam Examination

1. Ideal Class II Cavity - preparation on two posterior teeth.
2. The indicated (1) posterior tooth with cavity preparation will be filled up with Dental Amalgam (Typodont).

10:00 A.M. – 12:00 NN

B) Fixed Partial Denture Examination - Preparation of two abutments (anterior or posterior) for the reception of a Porcelain Fused to Metal Fixed Partial Denture (Typodont).

1:00 P.M. - 4:00 P.M

C) Removable Partial Denture Design Examination:

1. Bring your own maxillary and mandibular casts (dental stone) taken from a live patient with a full complement of teeth (full dentition). Properly based and trimmed.
2. Knock down the missing teeth on the master cast to be indicated before the start of the examination. Round off and smoothen properly the edentulous areas.
3. Using a surveyor, survey the possible abutment teeth. Place tripod marks on the cast.
4. Design a Bilateral One Piece Casting Removable Partial Denture on the Master Cast.
5. Transfer Design on the top answer sheet (one answer sheet only).
6. Make Laboratory Prescription (Work Authorization) on the top answer sheet (one answer sheet only).
7. Do wax pattern. Prefabricated wax patterns are strictly **not allowed**.

GROUP I – THURSDAY – JANUARY 4, 2018
GROUP II - SATURDAY – JANUARY 6, 2018

8:00 A.M - 4:00 P.M.
